## REPORT OF THE FITZELLIAM FIRE WARDS 1962

We extend our thanks to the citizens of this township for their fine cooperation in fire prevention, obtaining fire permits when necessary, and reporting fires promptly. This cooperation has kept the fire loss for the community low this year.

We also wish to thank the Meadowood County Area Fire Department in aiding us and also the persons that have radios in their homes that give us 24 hour protection.

We regret that the Ambulance Service has been discontinued by the Fitzwilliam Fire Department, but wish to extend our gratefulness to those who supported it while it was in operation.

The following alarms answered by Engine No. 1, 1962.  
March 15, Fiske Farm

April 3, Rawding

July 23, Truck Fire -- State Line

August 25, Couch Fire - Farinoli

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

## Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$528.35 to \$4,300.73 during 1962, as shown herewith:

	December 31, 1961	December 31, 1962

Current Surplus	<u>\$ 528.35</u>	<u>\$4,300.73</u>

## Class V Highway Maintenance Funds:

Class V Highway Maintenance Funds are granted to the Towns by the State to supplement funds appropriated by Towns for the maintenance of Town roads. Therefore funds received from this source should not be treated as an estimated revenue item in the Town budget, but rather as an appropriation credit to the Town maintenance account.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

## FOREST FIRES

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control - pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

### KEEP OUR TOWN SAFE FROM FIRE.

In 1962 we had 3 fires

We burned 1 acre.

Permits issued: 204
